Date: 16/03/2018

PRECEPT

Broadstairs and St Peters Town Council will be increasing their precept for next year by 19p per week for a Band D household. This will enable the council to provide extra services for residents and to continue some services which TDC will no longer provide. Plans include taking ownership of Pierremont Hall, Retort House and other assets that TDC will be disposing of, in addition to removing the old Community Hall building (formerly Age Concern) and putting plans in place for a replacement community building on its footprint. Concentration will be on maintaining the appearance of the seafront, continuing to provide valued free entertainment, enhancing floral displays and decorative lighting, as well as ensuring a litter-free environment.

A handwritten signature in cursive script, appearing to read 'D. L. Dunn'.

Danielle Dunn (Mrs)
Town Clerk
