Quotes:

Cllr Paul Moore, Mayor of Broadstairs & St. Peter's Town Council said:

“The Town Council continues to build upon its commitment to operate more efficiently and effectively through the development of its community assets. The leasing of offices, meeting rooms and function rooms at Pierremont Hall and the soon to be completed commercial lease and sports facility at Retort House, enable the Town Council to raise income in addition to the council tax. In turn this enables the Town Council to provide and improve the range of activities, facilities and services to the community, both now and in the future.”
