### **Broadstairs & Ramsgate Sea Cadets - 19th October**

Cadets opened their new headquarters in the old Ferry terminal. Met a number of Broadstairs based cadets and volunteers who'd worked hard to get the new base ship shape. It's important for us to build up our links with the Sea Cadets. I've pointed them in the direction of our grant application form.

Should we adopt a Sea Cadet in a similar way to Ramsgate and Margate?

### **Poppy Appeal Launch - 25th October**

Attended launch at County Hall.

### **Festival of Remembrance - 25th October**

Attended a moving festival at the Granville Theatre in Ramsgate.
